RE: Application of Uniform Movers of Charleston, LLC for a Class E (Household Goods)
Certificate of Public Convenience and Necessity for Operation of a Motor Vehicle Carrier
Docket No. 2021-219-T

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") does not intend to file direct testimony in the above-referenced docket. ORS has reviewed the Application in this docket and conducted an inspection of the Applicant's records and equipment. Based on this inspection and review, ORS is of the opinion that the Applicant will meet the requirements of fit, willing, and able as required of a Household Goods Mover under the provisions of S.C. Code Ann. Regs. 103-133 (2012).

Should the Applicant prove to the Public Service Commission of South Carolina ("Commission") that it meets the qualifications for the issuance of a Certificate of Public Convenience and Necessity, ORS will ensure that the Applicant will have complied with all applicable Statutes, Regulations, and any conditions of the Commission Order prior to the issuance of such Certificate.

ORS reserves the right to alter its position should a material change occur with the Application after the filing of this letter. Thank you for your consideration in this matter.

Sincerely,

Benjamin P. Mustian
